Test Cases

TEST CASE ID	TEST SCENARIO	TEST CASE	TEST STEPS	EXPECTED RESULT	ACTUAL RESULT	STATUS (PASS/FAIL)
TC_001	Verify wins counts showing in wins sections when users win.	- Wins count should get added by +1 when the user wins.	- From the main page, add two "add to duo." - Click on the "DUEL!" button. - Verify the user is on the Wins or Losses page.	Successfully wins count gets added by +1 in the wins section when the user wins.	When the user wins the wins count gets added in the losses section instead of wins section.	Fail
TC_002	Verify loss counts showing in losses sections when users lost.	- Loss count should get added by +1 when the user is lost.	- From the main page, add two "add to duo." - Click on the "DUEL!" button. - Verify the user is on the Wins or Losses page.	Successfully loss count gets added by +1 in the losses section when the user lost.	When the user loses the loss count gets added in the losses section.	Pass
